Diese #vatniksoup stellt eine amerikanische rechtsextreme Persönlichkeit der sozialen Medien vor, Nicholas J. Fuentes (@NickJFuentes). Er ist für seine rassistische, frauenfeindliche & antisemitische Rhetorik bekannt & ist das Aushängeschild der sogenannten Incel-Bewegung.

Wie viele in der White-Supremacist-Bewegung brach auch Fuentes sein Studium nach dem 1. Jahr ab. Er studierte Einführungskurse in internationale Beziehungen, was ihn offenbar zu einem Experten für Geopolitik machte. Nick kam jung zur White-Supremacist-Bewegung.

Fuentes, an Illinois native, started livestreaming during his freshman year at Boston University. He studied politics and international relations and started hosting the political talk show “America First” on the Trump-aligned Right Side Broadcasting Network in February 2017. Fuentes’ show aired nightly on the network and featured far-right political commentary, with a focus on immigration and multiculturalism. Despite an on-air rant where Fuentes encouraged people to “kill the globalists” during an April 19, 2017 livestream, as [reported by Media Matters](#) at the time, Right Side Broadcasting continued to host him until he attended the deadly “Unite the Right” rally in Charlottesville, Virginia, on Aug. 12, 2017.

Er nahm an der berüchtigten „Unite the Right“-Demo in Charlottesville, Virginia, teil. 2017 startete Fuentes seine politische Talkshow „America First“. Die Sendung wurde auf dem Trump-nahen Right Side Broadcasting Network ausgestrahlt, aber nach der Demo abgesetzt.

Right Side Broadcasting Network (RSBN) host Nick Fuentes went on a violent, on-air tirade, suggesting that it was “time to kill the globalists” who run CNN, adding, “I don’t want CNN to go out of business ... I want the people that run CNN to be arrested and deported or hanged.”

Fuentes verwendet häufig Witze und Ironie, um sein junges Publikum anzusprechen und gleichzeitig seine extremen politischen Ansichten plausibel zu verleugnen. Seine fanatischen Troll-Anhänger werden als „Groypers“ bezeichnet.

Fuentes aggressiver Stil spricht wütende junge Männer an. Er war eine der Schlüsselfiguren der „Stop the Steal“-Bewegung, die behauptete Donald Trump habe die US-Wahl 2020 gewonnen. Er schlug sogar (ironisch?) vor, einige republikanische Gesetzgeber als Vergeltung zu töten.

## **'STOP THE STEAL'**

Soon after Trump started to promote lies about the outcome of the 2020 election, Fuentes emerged as one of the president's most loyal defenders on the national stage. Alongside such extremists as Ali Alexander, Patrick Casey, Alex Jones and Timothy "Baked Alaska" Gionet, he galvanized crowds of young, almost exclusively white men at so-called "Stop the Steal" events across the country, which focused on upending Joe Biden's victory and installing Trump as president for a second term he did not win. Some Fuentes allies, such as Australian livestreamer Tor Brookes, known as "Catboy Kami" online, [recorded themselves](#) harassing Biden supporters who were people of color, according to the Australian news outlet ABC. Fuentes, and fans waving his "America First"-branded flag, appeared at events in [Arizona](#), [Pennsylvania](#) and [Washington, D.C.](#), in the runup to what later led to the "Stop the Steal" rally in D.C. and the attack on the U.S. Capitol building on Jan. 6, 2021.

Fuentes also hyped outrage over the election results through his livestreams, which he held at that time on the fringe, [youth-targeted gaming platform DLive](#). Fuentes' livestreams in the runup to Jan. 6 took on a markedly more vicious tone. On Jan. 4, 2021, he appeared to float the idea of killing some Republican lawmakers as retribution for not actively promoting Trump's election lies before seemingly walking it back to express something more equivocal.

"Republicans just screwed us every day for two months straight, and we have no recourse. Why? Because we have no leverage. What are we going to do to them? What can you and I do to a state legislator besides kill them?" [he said](#). "We should not do that. I'm not advising that, but I mean what else can you do, right? Nothing."

Mehrere Medien berichteten, dass Fuentes zu der Gruppe gehörte, die am 6. Januar das Kapitol angriff. Er soll den Randalierern zugerufen haben, sie sollten „weiter auf das Kapitol zugehen“, und dass sie „das Kapitol zurückerobern“ würden.

Im Nov 2022 lud Donald Trump Nick & Kanye West zu einem Abendessen in Mar-a-Lago ein. Laut einer von Axios befragten Quelle schien Trump von Nick „sehr angetan“ zu sein; man fügte hinzu, dass „es eine Menge Schleimerei hin & her gab“. Das Treffen wurde heftig kritisiert.

## Trump blames Kanye West for bringing Nick Fuentes as dinner guest

BY BRAD DRESS - 11/27/22 1:30 PM ET

Former President Trump on Saturday said Ye, the rapper formerly known as Kanye West, is a "seriously troubled man" whom he was trying to help, but also blamed the controversial musician for a dinner in which Trump says Ye brought along a known white supremacist.

Trump said on Truth Social that Ye brought far-right activist Nick Fuentes to the dinner on Tuesday night and that he did not know who Fuentes was.

"So I help a seriously troubled man, who just happens to be black, Ye (Kanye West), who has been decimated in his business and virtually everything else," Trump wrote, "and who has always been good to me, by allowing his request for a meeting at Mar-a-Lago, alone, so that I can give him very much needed 'advice.'"

Donald Trump repeatedly refused to disavow the outspoken antisemite and white supremacist Nick Fuentes after they spoke over dinner at his Mar-a-Lago resort, rejecting the advice from advisers over fears he might alienate a section of his base, two people familiar with the situation said.

Fuentes kritisierte Trump mehr & mehr, besonderes 2024. Er rief seine Anhänger auf, Trump zu drängen noch extremere Positionen bez. Einwanderung & Ethnie einzunehmen. Er forderte Trump auf, Susie Wiles zu entlassen, die seine Stabschefin im Weißen Haus sein soll.

## Groyper launch all-out meme war on Trump's campaign team

If you logged on to Truth Social this morning, the top trends weren't praising former President Donald Trump or criticizing his opponent, Vice President Kamala Harris.

Instead, they called his campaign manager and senior adviser traitors to America.

Welcome to Groyper War 2.

A typical post under the hashtag dubbed the duo, Susan Wiles and Chris LaCivita, secret saboteurs working to sink Trump's campaign.

"Our goal is to fire #TraitorWiles and #TraitorLaCivita to save this campaign from the foreign monied interests, the lobbyists, the Never Trumpers, the neocons, and the swamp creatures," said one.

Im Nov 2024, nachdem sich Trump-Anhänger in Müllsäcke gekleidet hatten, kommentierte Fuentes, dass dies den Trumpismus als „einen riesigen sektenähnlichen Betrug“ aufzeige und dass Trump-Anhänger „sklavisch ergebene“ Menschen seien, die „einfach alles schlucken“.

The screenshot shows a Newsweek article page. The main headline is "Conservative Influencer Slams Donald Trump Supporters: 'It Is a Cult'". Below the headline, it says "Published Nov 02, 2024 at 5:38 PM EDT" and "Updated Nov 07, 2024 at 3:52 PM EST". The article features a video player with a play button and a duration of 00:43. The video thumbnail shows Donald Trump speaking at a podium with a sign that says "TRUMP WILL FIX IT TRUMP". To the right of the video player, there is a "Trending" section with three items: "01 Americans Want Job Ads To List Salary" (4 comments), "02 Is There Mail on Veterans Day? Post Office, UPS, FedEx Hires" (1 comment), and "03 Video Seems to Show North Korean Soldier Watching Raunchy Videos in Russia" (21 comments).

"That was the moment when I realized Trumpism was a cult, that was the moment when I realized liberals are right. That was the moment when I realized it has gone too far, it is Frankenstein's monster, we've created a Gollum. It is a problem."

He said, "It is a cult," later referring to Trumpism as "a giant cult-like scam." Fuentes noted that there is a "slavish devotion of the [Trump] followers, they'll just eat up anything."

Wenn es um Russland und die Ukraine geht, hat Nicky eindeutig seine Seite gewählt: Auf der AFPAC-Konferenz 2022 lobte er Putin und fragte das Publikum: „Können wir einen Applaus für Russland bekommen?“ Daraufhin gab es tosenden Applaus und „Putin!“-Sprechchöre.

12/17

“Can we get a round of applause for Russia?” asked Nick Fuentes, on stage last week at a white nationalist event. Amid a roar of applause for the Russian president, just days after he invaded Ukraine, many attendees responded by shouting: “Putin! Putin!”

It would be easy to dismiss the America First Political Action Conference (AFPAC) in Orlando, Florida, as a radical fringe. But speeches by two Republican members of Congress - one in person, the other via video - guaranteed national attention and controversy.

- White nationalist figure Nick Fuentes said Russia is not being "unreasonable" in its invasion of Ukraine.
- Less than two weeks ago, Marjorie Taylor Greene and Paul Gosar attended an event hosted by Fuentes.
- Greene said she did not know Fuentes, who at one point during the conference urged applause for Russia.

Nach Trumps Sieg erzeugte Fuentes mehr Empörung als er den frauenfeindlichen Spruch tweetete : „Dein Körper, meine Wahl. Für immer“ Der Spruch wurde auf Plattformen, zB TikTok, Facebook & Reddit, extrem populär. Als Revanche wurde Fuentes angebliche Adresse online gedoxxt.

so noted fascist and dumbass Nick Fuentes went to the same high school as me and graduated a couple years after me. in high school he was a notorious weenie and shit his pants running the mile if you reply to one of his tweets pointing this out he'll block you almost immediately and if you just tweet it yourself without even tagging him he might too because he name searches like crazy. but he wasn't a fash in high school at all. he started being a maga guy because - in his own words - it was profitable

so after he graduated everyone he knew lost all respect for him and wouldn't talk to him. so one christmas break he bought a massive amount of weed and offered to smoke people out. and everyone said no. so he went on this huge now-deleted twitter rant at 6 am christmas day going on about how marijuana is the devil and makes you a communist or whatever

and people replied to it with screenshots of him texting them offering to smoke him out lmao

he enrolled at Boston University to, in his own words "engage liberals at one of the most left wing schools in America in political debate" (he got in because of legacy admissions and a legacy student scholarship) and then dropped out after - shocker - no one would talk to him because he was a virulent fascist

then he tried to attend auburn but they rescinded his admission after learning he was at Charlottesville. Now his parents bankroll him and he spends his free time fighting with the church across the street from his parents' house over their decision to fly a pride flag (edited)

just wanted to share how pathetic this dude is
