1) There's obviously more than one person behind the Diana Panchenko account. The proof is the syntax. Read this tweet from today 6/6/24. Proper syntax and use of punctuation. Now let's see a tweet from 5 days ago next ⬇️

2) Read this tweet from 6/1/24. Poor English syntax. Jerky punctuation. NO ONE learns how to correct English syntax in five days. Let's see another example. ⬇️

3) Here's a longer tweet from today, 6/6/24. Proper syntax and punctuation on a longer tweet. Now let's compare it to a tweet from 5 days ago. ⬇️

4) Here, a very short sentence by Panchenko has poor syntax. And let's see another. ⬇️

Congratulations to Musk on a successful launch! This is another achievement for Elon in space.

Real progress is seen when investments are made in science and dreams, rather than in death and war
