The banality of evil. Right down to the eye roll.

JC: "They're stealing Ukrainian children. 500 just yesterday were shipped to Russia. & this is why we should be supporting them. We cannot allow this kind of evil to go unchecked... Don't you agree with me on that?"

The Hill's @briebriejay rolling her eyes and sighing after Yarden Gonen, sister of a hostage in Gaza, asking her to believe rape victims.

No low this person won't sink to, truly disgusting.

Briahna Eyeroll Gray runs an aptly named podcast, "Bad Faith".

BITCH YOU LITERALLY LAUGHED ABOUT THE FACT THAT RUSSIANS ARE STEALING UKRAINIAN CHILDREN AND NOW YOU WANT ANYONE TO BELIEVE THAT YOU CARE ABOUT CHILDREN? YOU'RE A HYPOCRITE GHOUL. [https://x.com/briebriejoy/st](https://x.com/briebriejoy/status/1786596947324731466...)

Someone in the front of the crowd laughed tonight when I brought up dead Palestinian kids. I turned and looked at them and they just kept smiling -- smiling and laughing at dead children. It was chilling. It's one thing to see it on the internet, but to look in the eyes of that... x.com/RamAbdu/status...

Hamas - the "Islamic Resistance Movement" does not, in fact, want "what we have here in the United States"

The complete opposite, in fact.

More like what bin Laden wanted:

(c) Under your supervision, consent and orders, the governments of our countries which act as your agents, attack us on a daily basis;

(i) These governments prevent our people from establishing the Islamic Shariah, using violence and lies to do so.

(ii) These governments give us a taste of humiliation, and places us in a large prison of fear and subdual.

(iii) These governments steal our Ummah's wealth and sell them to you at a paltry price.

(iv) These governments have surrendered to the Jews, and handed them most of Palestine, acknowledging the existence of their state over the dismembered limbs of their own people.

(v) The removal of these governments is an obligation upon us, and a necessary step to free the Ummah, to make the Shariah the supreme law and to regain Palestine. And our fight against these governments is not separate from out fight against you.

If their state would allow Jews at all, it would be precisely *as an apartheid state* - or worse:

If.
