Ajasin Aivo Petersoni Ida-Ukrainas ringi sõidutanud organisatsiooni jälg.

Ausalt öelda ei osanud sugugi sellisel tasemel sidemeid oodata.

Spoiler alert: jah, mängu tuleb ka Prigožin. 🤔

Vahistatud poliitaktivisti Aivo Petersoni kutsus okupeeritud Ida-Ukrainasse propagandat tegema mees, kelle leiame Donetskis okupatsioonijõudude tippjuhtkonnast. Temaga seotud infooperatsioonide tagant...

Aivot sõidutas okupeeritud Ida-Ukrainas ringi fond Vozkroshenie.

Venemaal on sellenimelisi organisatsioone tohujaa ja omajagu vaeva kulus, et üldse õiged kanalid üles leida.

Koheselt tekib küsimus, kuidas Aivo üldse "kõrvalise abita" siukse organisatsiooni leidis.

Fond tegeleb muuhulgas abi toimetamisega Ida-Ukraina rindele. Mõistagi pakutakse seda abi meie mõistes "pahadele".

Ühe tegevusena toob veebileht näiteks välja "Isamaa kaitsjate" toetamise. Ehk esimene ohumärk on, et selle fondi kaudu otsesõnu sponsoreeritakse Venemaa armeed.

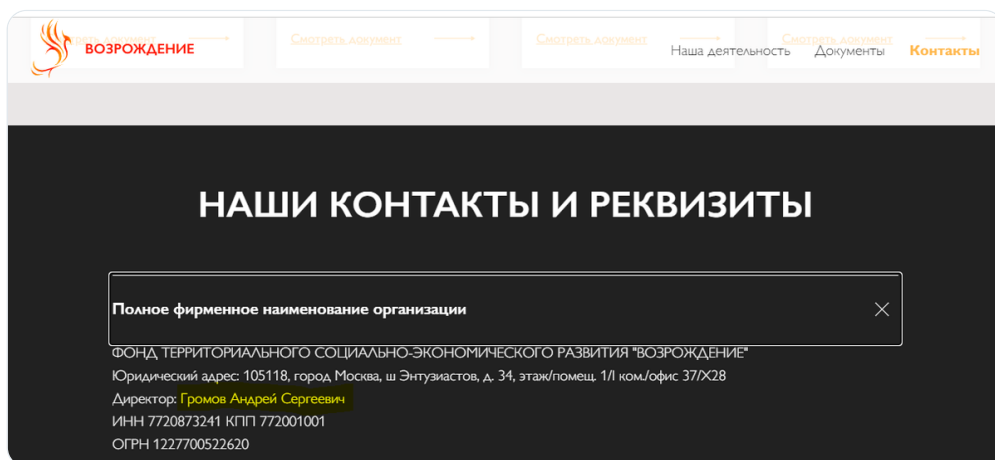

Fondi juht on Andrei Sergejevitš Gromov.

Esiteks, tegu on Putini partei Ühtse Venemaa pikaajalise funktsionääriga.

Kuid veelgi enam, "avalik liikumine Donetskis Vabariik" nimetab teda suisa oma juhtivkomitee asejuhiks.

Andrey Gromov, Deputy Head of the Central Executive Committee of the OD "DR", Director of GR-group and the Vozrozhdenie Foundation, spoke about the role of Russia and Donbass in the transformations that are taking place in the global political reality:

- *When we talk about Donbass, about its role in the global world, we are talking, first of all, about the role of a person in the global governance system, about a human feat. Donbass is an example of spirit, human qualities. The best people, specialists with high moral values from all over our country are now and work in the LDNR.*

— *When we talk about values, we see that in society there is a great demand for justice, not only in Russia, but throughout the world. This is the watershed that is now passing.*

Väike ajalootund, et mõista selle olulisust.

2014. aasta libareferendumite järel anti võim Donetskis just nimetatud liikumise kätte.

Liikumise juht ongi Donetskis praegune "valitseja" Denis Pušilin.

Seega Gromov on otsesõnu selle nukurežiimi üks juhtivfiguuridest.

Kuid nüüd alles läheb põnevaks!

Enne Petersoni käis Gromovi fondi orgunnimisel Ida-Ukrainat avastamas veel üks välismaa "ekspertide" delegatsioon. Hiljem muljetas delegatsioon nähtu üle videokonverentsil.

Torkas kohe silma, et konverentsi modereeris Julia Berg (Afanasjeva).

“Julia Afanasjeva organiseerib Jevgeni Prigožini vaenulikke operatsioone Aafrikas ja Euroopas,” seisab 2021. aasta USA otsuses, millega lisati Prigožini mõjuvõrgustikud, kuid ka oligarhi käsilane Afanasjeva isiklikult Ameerikas sanktsioneeritute nimekirja.

AFRIC has served as a front company for Prigozhin’s influence operations in Africa, including by sponsoring phony election monitoring missions in Zimbabwe, Madagascar, the Democratic Republic of the Congo, South Africa, and Mozambique. Despite posing as an African-led initiative, AFRIC serves to disseminate Russia’s preferred messaging, often related to disinformation. AFRIC works in coordination with other elements of the

Accused of:

Involvement in corruption schemes, disinformation, and malicious operations in Africa and Europe in collaboration with the "troll factory" of Yevgeny Prigozhin.

Yulia Berg is listed as the director of the non-profit organization Center for Social and Cultural Initiatives. The shareholder of this company, Pyotr Bychkov, heads the informal headquarters of Prigozhin's team in St. Petersburg, who are involved in all African projects (political strategists call this headquarters the "back office"). It is known that Yulia Berg was an employee of Yevgeny Prigozhin for at least until 2019. According to the US government, Berg led the AFRIC group for Prigozhin, which was supposedly an alliance of experts, but its main task was to carry out operations of influence.

Okei, äkki on see juhus?

Sel juhul on juhus ka see, et veel mõni kuu enne korraldasid Berg (läbi GlobUs, kes korraldas ka "Donbass Realities") ja Gromov (läbi firma GR Group) koos jälle konverentsi.

Istusid seal juhuslikult ka kõrvuti.

Mul puudub siseinfo, mida teab KAPO

Aga A.Petersoni Ida-Ukrainasse sõidutanud mees on seotud:

- *Ühtse Venemaaga
- *Okupeeritud Donetskis nukurežiimiga
- *Prigožini usaldusisikuga, kellega koos nad propagandaüritusi korraldavad.

Ilmselt on siin tõesti mängus mõni Eesti-vastane suhe.
