THREAD Sorry, I cannot stop posting this. Russia commits horrific crimes on both occupied territories AND along the front line, deliberately bombing civilian population. Russia's goal is genocide of Ukrainians. Let me elaborate on this in the following thread: /1

Sergej Sumlenny, LL.M 
@sumlenny · [Follow](#)

Russia's goal is clear, and announced on their largest state-owned TV channel: to make Ukrainian Kharkiv unliveable, to erase 1-million-inhabitants city from earth, in order to break the will of Ukrainians. And their next steps will be Warsaw and Berlin.

The media could not be played.

2) Beyond attacks on Ukrainian civilians, Russia systematically violates Geneva conventions, torturing and executing Ukrainian POWs (more in the linked thread): /2

3) Russia deliberately targets civilian infrastructure, using indiscriminating weapons: /3

4) Russia kidnaps Ukrainian children, and this is not a new invention of Russia, but a system developed already in 2014: /4

How the West Tolerated Russia's Kidnapping of Ukrainian Children

Russia's kidnapping of Ukrainian children did not start in 2022. Moscow commenced this practice as part of its ideological concept „Russkiy Mir” already in 2014

6) Russia systematically commits ecocide in Ukraine, destroying Ukrainian nature: /6

Russia's Ecocide in Ukraine

Russia's invasion is estimated to have caused Ukraine at least \$46bn in environmental damage. Ukraine is seeking legal means to hold Russia accountable for ecocide.
