1/25 In deze exclusieve soep wil ik het hebben over sekstapes en de vrouwelijke verleidsters die worden ingezet door het Kremlin. De femme fatales zouden niet misstaan in de gemiddelde James Bond film.

2/25 Het was Yuri Andropov die ooit Poetin rekruteerde voor de KGB, beiden schopten het later tot president. Binnen zijn doctrine was een belangrijke rol weggelegd voor spionage en chantage. Vaak worden prostitués of actrices gebruikt om 'krompromat' te verzamelen.

For decades, hotels across the former Soviet Union visited by foreigners were equipped with bugging devices and cameras by the K.G.B. A remnant can still be seen in Tallinn, the capital of the former Soviet republic Estonia, where the new Finnish owners of the former Intourist hotel have set up a museum to display the surveillance and other techniques used to spy on and blackmail foreign guests.

Peep Ehasalu, who helped set up the museum, said that 60 of the hotel's 423 rooms were bugged and reserved for "interesting persons" like foreign businessmen. Guests who were judged vulnerable to blackmail were put in a handful of rooms with holes in the walls through which special cameras would film dalliances with prostitutes. All the prostitutes, Mr. Ehasalu said, worked for the K.G.B., which chased away freelance sex workers who had not been officially approved.

3/25 In 1996 start aanklager Skuratov een corruptie onderzoek naar Boris Jeltsin. Die laatste zit op hete kolen en klopt aan bij Poetin of hij de zaak niet in de doofpot kan stoppen? Korte tijd later duikt een sekstape op van Skuratov, het torpedeert de zaak en zijn carrière.

Chief prosecutor Yuri Skuratov - an obstacle to Putin's rise - was seen off by a grainy video purporting to show Mr Skuratov in the company of two Moscow prostitutes in the late-1990s

4/25 In zijn memoires komt Skuratov terug op de zaak. Hij verklaart dat Poetin hem chanteerde met de tape. Poetin bekent dat er in hetzelfde appartement ook compromitterend materiaal van hemzelf is opgenomen. Vermoord spion Litvinenko stelt later dat Poetin seks met kinderen had.

After graduating from the Andropov Institute, which prepares officers for the KGB intelligence service, Putin was not accepted into the foreign intelligence. Instead, he was sent to a junior position in KGB Leningrad Directorate. This was a very unusual twist for a career of an Andropov Institute's graduate with fluent German. Why did that happen with Putin?

Because, shortly before his graduation, his bosses learned that Putin was a pedophile [sic]. So say some people who knew Putin as a student at the Institute.

The Institute officials feared to report this to their own superiors, which would cause an unpleasant investigation. They decided it was easier just to avoid sending Putin abroad under some pretext. Such a solution is not unusual for the secret services.

Many years later, when Putin became the FSB director and was preparing for the presidency, he began to seek and destroy any compromising materials collected against him by the secret services over earlier years. It was not difficult, provided he himself was the FSB director. Among other things, Putin found videotapes in

the FSB Internal Security directorate, which showed him making sex with some underage boys.

5/25 Poetin en zijn voorliefde voor kinderen, de geruchten zijn hardnekkig. Tijdens een publiek evenement laat hij zich gaan. Hij kust een jongetje op de navel. Later stelt hij dat hij de neiging had om dat ondeugende jongetje even beet te pakken.

6/25 Als president rekent Poetin rücksichtlos af met elke vorm van oppositie en kritiek. Dat merken ook de makers van politiek tv cabaret Kukhly, de bedenker wordt verleid door een knappe spionne. De escapades worden heimelijk opgenomen op tape, als wraak laat Poetin het lekken.

7/25 Kremlinpropagandist Scott Ritter was vroeger een VN wapeninspecteur. Tijdens een missie in Rusland begint hij een affaire met een lokale vertaalster. Normaliter staat daar ontslag voor, Ritter maakt gebruik van een geitenpadje door te trouwen met de vrouw.

Ritter's answers were referred to the FBI, which began a counterintelligence investigation. Among the concerns was his August 1991 marriage to Marina Khatiashvili, a former Soviet Georgian interpreter for the American team that had monitored an arms control pact in Votkinsk. Ritter had been married when they met, and he and colleagues insist that his romance with Khatiashvili began after he left Votkinsk. But her job had required her to report to the KGB, and Ritter knew he was imperiling his security clearance by marrying her, even afterward. "I was in love with Marina," Ritter said.

8/25 Deze Maria Khatiasvili moest voor haar werk ook rapporteren aan de KGB. In de jaren 2000 loopt Ritter twee keer tegen de lamp als hij online minderjarigen probeert te 'groomen'. De vraag is of Maria nog steeds haar oude contacten heeft.

On a February afternoon in 2009, Ryan Venneman, one of only five full-time police officers in tiny Barrett Township, Pa., decided to spend some time hunting for sexual predators online. Venneman entered a Yahoo chat room, where the minimum legal age is supposed be 18, and passed himself off as a teenager named Emily. Before long, he was contacted by a man who said he was 44 and called himself delmarm4fun — a reference to Delmar, N.Y., an Albany suburb about three hours from where Venneman was sitting in the Poconos.

"Age?" delmarm4fun asked.

"15."

"Aha," came the response. "New York or Pa.?"

A graphic flirtation ensued. At one point, delmarm4fun asked "Emily" again if she was 18.

"No, I'm 15," Venneman replied.

"Aha," delmarm4fun said again. "My bad."

"What's wrong?" Venneman asked.

"Didn't realize you were 15. . . ."

"So why u don't like me," Venneman typed, mimicking an adolescent's mangled syntax.

"I do, very much. LOL. Just don't want any trouble."

After about an hour of this, according to logs later presented in court, the man Venneman was talking to masturbated in front of a webcam and announced he was off to take a shower.

"U know ur in a lot of trouble, don't you," Venneman typed.

"Huh?"

"I'm a undercover police officer. U need to call me A.S.A.P!"

"Nah," delmarm4fun wrote. "Your not 15. Yahoo is for 18 and over. It's all fantasy. No crime."

"I have your phone number and I will be getting your IP address from Yahoo and your carrier," Venneman wrote. "We can do this 2 ways call me and you can turn yourself in at a latter date or I'll get a warrant for you and come pick you up."

9/25 In 2009 duikt een sekstape op van een Britse diplomaat met twee prostitués. De Russische website noemt het spottend 'De avonturen van Meneer Hudson'. De profesionaliteit van de opnames verraaft een professionele operatie. Hudson was er ingeluisd.

UK envoy quits after sex video surfaces on Russia website

A British diplomat in **Russia** has resigned after allegedly being filmed having sex with two prostitutes, in a classic sting operation apparently masterminded by the country's security services.

James Hudson quit as deputy consul general in Yekaterinburg after the video - entitled Adventures of Mr Hudson in Russia - mysteriously surfaced on a website, informacia.ru (the credentials of the website are unclear and it has been the subject of computer security warnings).

The film, lasting four minutes and 18 seconds, appears to show Hudson entering a brothel. He lies down on a sofa, opens a bottle of champagne and cavorts with two blonde women in their underwear. The video then shows him having sex with both women. As well as prostitutes, the website accused the 37-year-old diplomat of gambling and taking "light drugs" - hinting it had further damaging material.

The high quality of the video suggests that this was the work of professionals, and not amateurs. The security services have a track record of such endeavours.

10/25 De zaak van Hudson staat niet op zichzelf enkele maanden later overkomt een Amerikaanse diplomaat hetzelfde. De regering Obama beklagt zich vervolgens bij de Russen over de oude KGB trucs die het toepast op diplomaten.

U.S. Protests Russian 'Sex Tape' Used to Smear American Diplomat

Sex, lies and videotape in Moscow; Cold War tactics merge with the Internet.

Sept. 23, 2009 -- The U.S. Ambassador in Moscow has lodged a formal protest with the Russian Foreign Ministry over an "attempted smear" of an American diplomat with a purported sex video recorded in a Moscow hotel room.

"This kind of effort to discredit an American diplomat really has no place in the sort of relationship that we are trying to build with the Russian federation," Ambassador John Beyrle told ABC News in an interview to be broadcast tonight on World News with Charles Gibson and Nightline.

11/25 Model Anna Vasilyevna, ook wel Anna Chapman, treedt in de voetsporen van haar KGB vader. Ze staat aan het hoofd van een 'spying' in de VS, in 2009 wordt ze opegepakt. Een gevangenenuitwisseling brengt haar terug in Rusland waar ze op sociale media Trump promoot.

Anna Vasilyevna Chapman (Russian: Анна Васильевна Чэпман; born **Anna Vasilyevna Kushchenko**, 23 February 1982) is a Russian intelligence agent, media personality and model who was arrested in the [United States](#) on 27 June 2010 as part of the [Illegals Program](#), a Russian spy ring. Chapman pleaded guilty to a charge of [conspiracy](#) to act as an agent of a foreign government. 12/25 De FSB trekt lering uit de zaak en geeft haar spionnen uitgebreide coverstories. Zo wordt Olga Kobolova de Peruviaanse Adela Kuhfeldt Riviera compleet met Zuid-Amerikaanse referenties. De juwelenverkoopster duikt in Italië op om bij een NAVO basis te infiltreren.

13/25 Koboleva infiltreert in de Lions Club van Napels die niet toevallig gesticht is door een NAVO lid. Via geflirt en korte affaires met Amerikaanse NAVO officieren verzamelt ze steeds meer informatie. Uiteindelijk valt Koboleva door de mand door online fotoherkenning.

The spy who loved me

In Naples, she opened a luxurious jewellery store based on the company she started earlier in France. Here, she started her actual work.

She was an incredibly active member of the Lion's Club association, according to Oberstleutnant Thorsten S, a German Bundeswehr officer who in 2015 was treasurer of this Lions Club branch. He added that he never understood her motives for doing so.

He met Maria Adela in Napoli Monte Nuovo, made by one of the officers from the NATO base, one of the military alliances' most important in Europe and headquarters for the US' sixth largest fleet.

It was the perfect club to infiltrate for the Russian spy, who not only became a member but was also part of its board. She even managed to seduce the person who administered the base's data systems. But only one high-ranking – and anonymous – person has admitted to having a brief affair with the fake businesswoman.

But according to Col. Bryan, she had many relationships. 'Maria Adela' had social interactions with not just American but also Belgian, Italian, and German NATO staff and officers.

Despite Rivera's incredible story, the American officer, who has since gone into politics as a Democrat, was surprised that Rivera was actually a Russian spy. None of the acquaintances that the investigative journalists spoke with have been questioned by NATO or police concerning their relationship with Maria Adela.

14/25 De Zuid-Amerikaanse 'coverstories' zijn populair, in Slovenië liep dit jaar een koppel tegen de lamp met de schilderachtige namen Maria Rosar Mayer en Ludwig Gisch. De Russen werden opgepakt voor spionage en een rechtszaak met een eis van 8 jaar is lopende.

Two Russian spies who claimed for years to be Argentines face up to eight years behind bars at a maximum security prison if convicted in a behind closed doors trial in Slovenia.

Maria Rosa Mayer Muñoz and Ludwig Gisch, whose true identities are Anna Dultseva and Artem Dultsev, are both high-ranking officials from the Russian Foreign Intelligence Service (SVR), according to Slovenian prosecutors.

They stand accused of espionage and of using false information in public documents.

The duo, who used Argentine passports and passed themselves off as Argentine expats, running an online business while living a regular suburban life in Ljubljana, were arrested by Slovenian authorities in December 2022.

15/25 Mikael Kasyanov is de premier van Poetins eerste regering (2000-2003). Na een relletje over de privatisering van een gasbedrijf blaast Poetin de coalitie op. Bij de nieuwe verkiezingen staat hij niet meer op de lijst ook mag hij zelf geen partij stichten.

Mikhail Mikhailovich Kasyanov (Russian: Михаил Михайлович Касьянов, IPA: [mʲɪxɐˈil mʲɪˈxajlevʲɪtɕ kɐˈsʲjanəf]; born 8 December 1957) is a Russian politician who served as **Prime Minister of Russia** from 2000 to 2004. Previously, he had served as **First Deputy Prime Minister** in 2000 and **Minister of Finance** from 1999 to 2000. During the 1990s, he worked in President **Boris Yeltsin**'s administration in different positions before joining President **Vladimir Putin**'s first administration. He has the federal state civilian service rank of **1st class Active State Councillor of the Russian Federation**.^[1]

Since leaving the government over disagreements on economic policy, he has become one of the leading critics of President Putin and an **opposition leader**. In 2008, Kasyanov was a **candidate in the election of President of Russia** but in the middle of the campaign was denied participation on political grounds. In 2010, he co-founded the coalition **People's Freedom Party "For Russia without Lawlessness and Corruption"** and became one of the leaders of the **People's Freedom Party**. He was an active speaker during the **2011–2013 Russian protests** for fair elections. Since 2015, he has served as the leader of the political party **People's Freedom Party** (PARNAS). From 2005 to 2007, he was one of the leaders of the opposition coalition **The Other Russia** and democratic protest movement.

16/25 Kasyanov blijft een luis in de pels van Poetin totdat in 2016 een sekstape lekt. Hij valt te zien met collega Natalia Pervina van de RPR PARNAS partij. Die laatste stelt dat de FSB de opdracht van Poetin had gekregen om de opnames te maken. Beiden stappen op.

17/25 Bill Browder plaatste zichzelf hoog op Poetins vijandenlijstje met zijn lobby voor de Magnitsky Act en openbaringen over Kremlincorruptie. Rusland probeerde van alles om hem te pakken, van een valse signalering bij Interpol tot een lobby voor een gevangenenruil.

US-born British businessman behind the Magnitsky Act was horrified when Trump publicly entertained idea of handing him over to Russia

19/25 In 2015 stuurt het Kremlin Maria Butina naar de VS om in de politiek te infiltreren. Ze duikt op bij Trump campagnes en legt contacten, ook gaan haar benen wijd voor dat beetje extra informatie. Ze wordt gepakt, terug in Rusland schopt ze het tot parlements lid.

20/25 Jackson Hinkle, een bekend Kremlin propagandist, heeft ook ineens een Russische schone naast zich. De Amerikaan is is niet zomaar iemand, op sociale media trekt hij een enorm publiek. Dat hij belangrijk is voor Rusland bewijzen wel de vele bots die hem promoten.

21/25 Anna Linnikova, voormalig Miss Rusland, zet plots een punt achter de relatie. Op twitter suggereert een user dat de relatie een FSB missie was maar Hinkle van weinig importantie is. “Waarom zou ze hem anders daten?” Ze reageert opvallend: “Klopt dat was mijn grootse fout.”

22/25 Tijdens de onrusten in Oost-Oekraïne in 2014 stuurt Rusland Maria Koleda naar het gebied. De SBU pakt haar op met de claim dat ze voor onrust moest zorgen bij protesten. Rusland wast haar handen in onschuld. Wel duiken online veel foto's van Koleda op met wapens.

24/25 Er gaan hardnekkige geruchten over de sekstapes van Donald Trump. Een smoking gun dook daarin nooit op. Wel bekend is dat Trump Moskou bezocht in een tijd waarin het nog een vast ritueel was om kompromat te verzamelen via kijkgaten en prostitueés.

For decades, hotels across the former Soviet Union visited by foreigners were equipped with bugging devices and cameras by the K.G.B. A remnant can still be seen in Tallinn, the capital of the former Soviet republic Estonia, where the new Finnish owners of the former Intourist hotel have set up a museum to display the surveillance and other techniques used to spy on and blackmail foreign guests.

The CIA reportedly believes Russia has 'more than one' compromising Donald Trump sex tape.

According to the **BBC's Washington correspondent Paul Wood**, active duty CIA officers passed messages on to him saying there was 'more than one tape', 'audio and video', on 'more than one date', in 'more than one place'.

4chan claims it made up the whole Donald Trump 'golden showers' story »

They then apparently told him the 'kompromat' – compromising material – was 'of a sexual nature', and took place in the Ritz-Carlton in Moscow and also in St Petersburg.

On Wednesday an incriminating dossier handed to the FBI, and subsequently summarised for both the President and the President-elect, claimed that Russia was using compromising material to blackmail or manipulate Donald Trump.

25/25 Het Kremlin heeft nooit afscheid genomen van de spionagetechnieken uit de Koude Oorlog. We kunnen niet uitsluiten dat Poetin chantagemateriaal heeft op meer hoofdrolspelers. De foto van tweet 1 is ook van Anna Chapman.

Een kleine toevoeging met dank aan @bloem_jesse Hier een gifje van het incident waarin Poetin het kind kust.
