Diese #vatniksoup stellt 2 amerikanisch-britische Social-Media-Persönlichkeiten vor, Andrew & Tristan Tate (@cobratate und @tatethetalisman). Sie sind für ihre Social-Media-Gaunereien, Menschenhandel- & Vergewaltigungsvorwürfe und anti-ukrainische Rhetorik bekannt.

Andrew war früher professioneller Kickboxer und wurde 4x Weltmeister. Einem breiteren Publikum wurde er 2016 bekannt, als er bei Big Brother auftrat. Aufgrund einer laufenden polizeilichen Untersuchung wegen Vergewaltigung wurde er nach 6 Tagen aus der Show entfernt.

- **Andrew Tate was arrested on suspicion of rape in the UK in 2015, police confirmed to Insider.**
- **Prosecutors said they investigated claims by two women but decided not to take Tate to trial.**

They alleged that Hertfordshire Constabulary seemed not to take the case seriously until Tate appeared as a contestant on the reality show "Big Brother" in 2016. He was removed from the show after five days after its producers were told about the allegations against him.

In a statement to Insider, police acknowledged "some delays" in its investigation, and said that it had apologized to Tate's accusers. The case was closed in 2019.

Einige Jahre später starteten die Brüder einige Websites, wo sie Kurse über Geldverdienen & der „Interaktion zwischen Mann & Frau“ verkauften. Plus, sie gründeten ein Webcam-Geschäft, wo bis zu 75 Frauen arbeiteten. Sie gaben zu, dass das Geschäft ein „totaler Betrug“ war.

3/18

In an interview with *The Mirror* in March 2022, Tate and his brother Tristan revealed they run an adult webcam business, which employs lingerie-clad models to have chat sessions with men.

During the chats, which are charged at \$4 (£3.30) an hour, the models tell male callers about “fake sob stories”.

The brothers admitted that the operation was a “total scam”, but they are protected by two lines in their terms and conditions.

Tristan said: “One is broadcasting is ‘for entertainment purposes only’. That means if a model says she has a sick dog or a sick grandma it doesn’t have to be true. The next is that all cash given to models is ‘a voluntary sign of gratitude for their time broadcasting’.”

Die Brüder starteten die Hustler's University, eine kostenpflichtige Website mit einem Affiliate-Marketing-System, wo Mitglieder eine Provision erhalten, wenn sie neue Leute anwerben. Andrew ermutigte die Leute auch, die Inhalte in den sozialen Medien weit zu verbreiten.

4/18

His rapid surge to fame was not by chance. Evidence obtained by the *Observer* shows that followers of Tate are being told to flood social media with videos of him, choosing the most controversial clips in order to achieve maximum views and engagement.

The coordinated effort, involving thousands of members of Tate’s private online academy Hustler’s University and a network of copycat accounts on TikTok, has been described by experts as a “blatant attempt to manipulate the algorithm” and artificially boost his content. In less than three months, the strategy has earned him a huge following online and potentially made him millions of pounds, with 127,000 members now paying the £39 a month to join Hustler’s University community, many of them men and boys from the UK and US.

A money-making scheme aimed at young men that helped “extreme misogynist” **Andrew Tate** go viral on social media has closed.

Hustler’s University, an online academy for fans of Tate promising to help them earn thousands of pounds, has shut its affiliate marketing programme, saying it has “no future”.

The programme had enabled Tate’s followers to earn commissions for signing up new members and encouraged them to post videos of him to get as many referrals as possible.

It led to thousands of videos of the former kickboxer and reality star being posted on social media, generating thousands of referrals and propelling Tate to viral fame.

Ihre Websites „The Real World“ und „War Room“ sind auch kostenpflichtig mit minimalen Inhalten. Durchgesickerte Chat-Protokolle zeigen, dass die letztere Website sogar einen „Doktoranden-Kurs“ anbietet, wie man Frauen emotional manipuliert, damit sie vor Webcams auftreten.

Andrew Tate: Chats in 'War Room' suggest dozens of women groomed

31 August 2023

A photograph of Andrew Tate, a man with a beard and sunglasses, wearing a blue polo shirt. He is surrounded by a crowd of people holding microphones from various news organizations, including Euro News, Pro TV, and Digi FM. He appears to be speaking to the press.

Die Tates haben eine große, kultähnliche Anhängerschaft um sich geschart. Sie haben durch die sozialen Medien vor allem junge Männer erreicht. 80% der  Jungs zwischen 16–17 Jahren haben Andrews Inhalte gesehen & 45% zwischen 16–24 haben eine positive Meinung von ihm.

6/18

Research found that eight in 10 boys aged between 16 and 17 had either read, listened to or watched content from the misogynistic “success coach”.

Around six in 10 boys had heard of the PM and roughly four in 10 knew who London mayor **Sadiq Khan** was, just slightly more than around a third of boys who had heard of the Labour leader **Keir Starmer**.

The survey, carried out by leading anti-fascism charity Hope not hate, and shared exclusively with *The Independent*, found boys aged between 16 and 17 were 21 per cent more likely to have consumed Mr Tate’s material than had heard of Mr Sunak.

Researchers, who polled over 1,200 people in the UK aged between 16 to 24, discovered that 45 per cent of men have a positive view of Mr Tate, while only 26 held a negative opinion of the influencer. When probed about why they like Mr Tate, most said they thought Mr Tate “wants men to be real men” or that “he gives good advice”.

However, just 1 per cent of women aged 16 to 17 had a positive opinion of Mr Tate, while 82 per cent viewed him negatively.

Andrew & Bruder haben Verbindungen mit diversen rechtsextremen Figuren & Verschwörungstheoretikern, darunter der  rechtsextreme Aktivist @TRobinsonNewEra, der PizzaGate-Promoter @JackPosobiec und natürlich @RealAlexJones. Andrew war schon mehrmals auf InfoWars zu sehen.

Tate initially had a following among far-right circles on social media, NBC News reported. He [dined](#) in 2019 with Infowars editor Paul Joseph Watson and “[Pizzagate](#)” conspiracy-theory propagator Jack Posobiec; Mike Cernovich, another proprietor of conspiracy theories, has called him a friend. He made several appearances on Infowars.

Von den beiden hat sich Tristan viel deutlicher zum Krieg in der Ukraine geäußert. Einige ihrer Ansichten stammen wahrscheinlich von ihrem verstorbenen Vater Emory, der bereits 2015 schrieb: „Warum schweigt Amerika, wenn Kiew Unschuldige abschlachtet? Irreal“.

8/18

Andrew & Tristan sprechen vom „Stellvertreterkrieg zwischen den USA & dem Westen“. Keiner von beiden hat 🇷🇺 für den Einmarsch in der 🇺🇦 verurteilt. Tristan meinte, dass „westliche Politiker für das Abschlachten einer Generation tapferer junger Männer verantwortlich sind“.

Andrew Tate @Cobratate

Can't complain too hard. Because of the Ukraine insanity (wests fault) Modi calls Putin and joins the other team.

Job done.

The west has lost all bargaining power in the second and third world.

Africa prime example.

I feel incredibly bad for all the young men dying in Ukraine. Both the Russians and the Ukrainians.

This is the saddest chapter of European history since the breakup of Yugoslavia.

Western politicians are responsible for the slaughter of a generation of brave young men.

Tristan behauptete, dass „Porosenko [sic] das Land in einem von der CIA gesteuerten Putsch übernommen hat“ & dann begann ethnische Russen zu „ermorden“. Ihm zufolge hat Putin versucht „dies und das Töten 7+ Jahre lang zu mäßigen“ & ist schließlich „eingeschritten“.

Er bezeichnete Donezk, Cherson, Luhansk & Saporischschja als „abtrünnige Regionen“ und verglich die Situation mit China–Taiwan, wobei er völlig falsch verstand, wie Länder und Grenzen funktionieren. Ihm zufolge hat der Donbass die „Unabhängigkeit von der Ukraine“ erklärt.

Tristan ruft naiv dazu auf „den Krieg zu beenden“, aber keiner der Brüder spricht darüber, warum dies nicht möglich ist: weil Russland beschlossen hat, die Ukraine zu exterminieren und gleichzeitig Hunderttausende seiner eigenen Männer zu töten.

12/18

Laut Andrew hat Putin COVID „geheilt“ nachdem er die Invasion in der Ukraine gestartet hat. Er hat auch angedeutet, dass der Krieg eine Art Geldwäschesystem der Eliten ist. Und klar ist es ein Stellvertreterkrieg, der laut Tristan durch die NATO-Expansion ausgelöst wurde.

Then maybe you should remove that flag from your bio because your government is happy to let you starve while giving Ukraine billions.

Wake up.

Imagine being stupid enough to support a proxy war which makes billionaires richer.

A war which your government uses to launder money into the hands of the elites.

Believing what they tell you on the news that Ukraine is “good” and Russia is “bad”

And then complaining about taxes lol.

Als Jewgeni Prigoschin & PMC Wagner ihren Aufstand gegen den Kreml begannen, twitterte Tristan, dass er „für alle Menschen in Russland betet“. Außerdem nannte er Selenskyj einen „Kriminellen“ & behauptete, er selbst sei „federführend“ in der humanitären Hilfe im Feb 2022.

I suspect this situation will not become clear to us outside of its borders for at least a few days.

I'm watching intently.

Tatsächlich hat Tristan ein paar Mäntel & Schuhe (wohl im Wert von ca. €90) an fliehende ukrainische Flüchtlinge übergeben und dies gefilmt. So kann er zeigen, dass „er sich tatsächlich sorgt“. Hier geht es aber nur um Aufmerksamkeit schinden um ihren Mist zu verkaufen.

Dez 2022 verhaftete die rumänische Polizei die beiden Tate-Brüder & 2 Frauen. Alle 4 wurden des Menschenhandels & der Bildung einer organisierten Verbrechergruppe verdächtigt und einer von ihnen der Vergewaltigung. Sie haben die Anschuldigungen mit ihren eigenen gekontert.

Andrew Tate threatens to sue accuser in bid to 'shut down' testimony

Former kickboxer has reportedly threatened to sue woman and her parents for \$300m in defamation lawsuit

Andy Gregory • Saturday 18 February 2023 11:37 GMT

In letzter Zeit haben Verschwörungstheoretiker wie @drloupis die Tates verteidigt mit dem Spruch, dass sie „nicht auf der Epstein-Liste stehen werden“, daher eine „man kann ein (angeblicher) Sexhändler und Vergewaltiger sein, aber wenigstens kein Pädophiler“ Verteidigung.

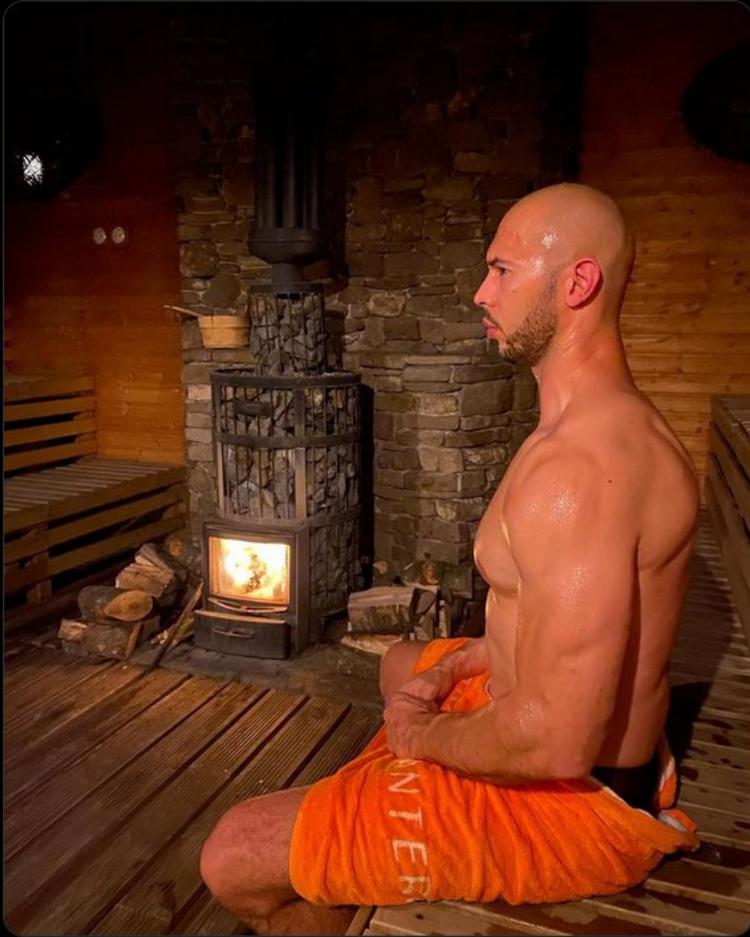

In Finnland ist der große Bruder Andrew aber vor allem dafür bekannt, dass er sich gerne die finnische Sauna „kulturell aneignet“, indem er bei mickrigen 50 Grad auf der Kinderbank sitzt und seine Badehose trägt. Und dieser Typ nennt sich selbst der „ultimate Alpha“.
