In today's #vatniksoup, I'll discuss two events, Rescue the Republic and Rage Against the War Machine, that are being held during the last weekend of September 2024 in Washington DC. Both of these events promote pro-Kremlin viewpoints and platform many prominent vatniks.

1/11

Rage Against the War Machine is being organized for the 3rd time, although the 2nd installment, "Defeat the Deep State", was cancelled, probably due to low interest. The event was organized by the Libertarian Party, a US political party that was recently hijacked by vatniks.

2/11

Both events are co-organized by craniosacral therapist/chair of the Libertarian National Committee, Angela McArdle, who was leading the Libertarian Party takeover in 2022 and turning it into an extension of Trump's MAGA Republicans:

In today's [#vatniksoup](#), I'll introduce an American politician, Angela McArdle ([@angela4LNCCChair](#)). She's best-known for turning the US Libertarian Party into a wing of MAGA Republicans, and for promoting pro-Kremlin narratives about the Russo-Ukrainian War.

Out of the two, Rescue the Republic has much higher profile speakers, including Robert F. Kennedy Jr., Russell Brand, Jordan Peterson and Tulsi Gabbard. Incidentally, each of these have their own entries on [#vatniksoup](#):

In addition, there are some B-lister Trump operatives, like the failed actor Rob Schneider, urine inspector/Pizzagate promoter Jack Posobiec, and "comedian"/joke Jimmy Dore:

In today's #vatniksoup, I'll introduce an American political activist, attention-seeker and TV presenter, Jack Posobiec (@JackPosobiec). He's best-known for his tendency to lie and spread conspiracy theories, and for his pro-Kremlin views on the Russo-Ukrainian War.

In today's #vatnik soup I'll be introducing a comedian-turned-propagandist and conspiracy theorist, Jimmy Dore. He's the host of The Jimmy Dore Show, a comedic talk show but without any comedy.

The event seems to be protesting against some sort of “industrial complex”, and it brings together Kremlin appeasers, COVID-19 vaccine/mandate opponents, “free speech” advocates and of course conspiracy theorists.

It's easy to predict the contents of this rally - many will advocate for Trump and blame the Democrats & NATO for "warmongering". Some will mention the "culture wars". They'll also call for "ending the war" in Ukraine, which basically means stopping the US aid to Ukraine.

Tulsi Gabbard 
@TulsiGabbard

The warmongers are trying to drag us into WW3, which can only end in one way: nuclear annihilation and the suffering and death of all our loved ones. Zelensky, Biden, NATO, congressional and media neocons are insane. And we are insane if we passively allow them to lead us into this holocaust like sheep to the slaughter. We find hope in the fact that the vast majority of Americans are sane, but sanity is not enough. We also need courage. The courage to stand up to the powerful warmongers, and in unison declare: "No! we will not allow you to destroy our families, communities, environment, country, and world!"

Rage Against the War Machine has a much more pathetic lineup, and it seems that McArdle is scraping the bottom of the vatnik barrel.

There's zero household names, and out of this sad bunch Douglas Macgregor is probably the best-known:

In today's #vatnik soup I'll introduce an ex-US Army man who switched sides & is now working for the propaganda ministry of Russia. His name is Douglas Macgregor and he's one of the well-known commentators on the Russo-Ukrainian War, making predictions that never come true.

My name is Josie (brilliant/superior), I'm not r*****, my genes are in tact, masks don't work, Ukraine is a make believe state that the US government uses to launder money through, Elections are rigged, and the state is your enemy, not your neighbor (unless they are communists)

Extra based points for ripping the mask off of the guy at the end.

Rescue the Republic has a high chance of being a successful event, as it brings together MAGA Republicans, antivaxxers, conspiracy theorists and Christian nationalists. I'm sure both events will feature some Russian flags and members of CODEPINK propaganda group.

Ultimately, both events try to bolster Trump's presidential campaign by supporting his policies and empty promises, and defaming and blaming the Democrats, Biden and Harris for everything negative going on in the United States.
